

JAN/FEB | ISSUE #1

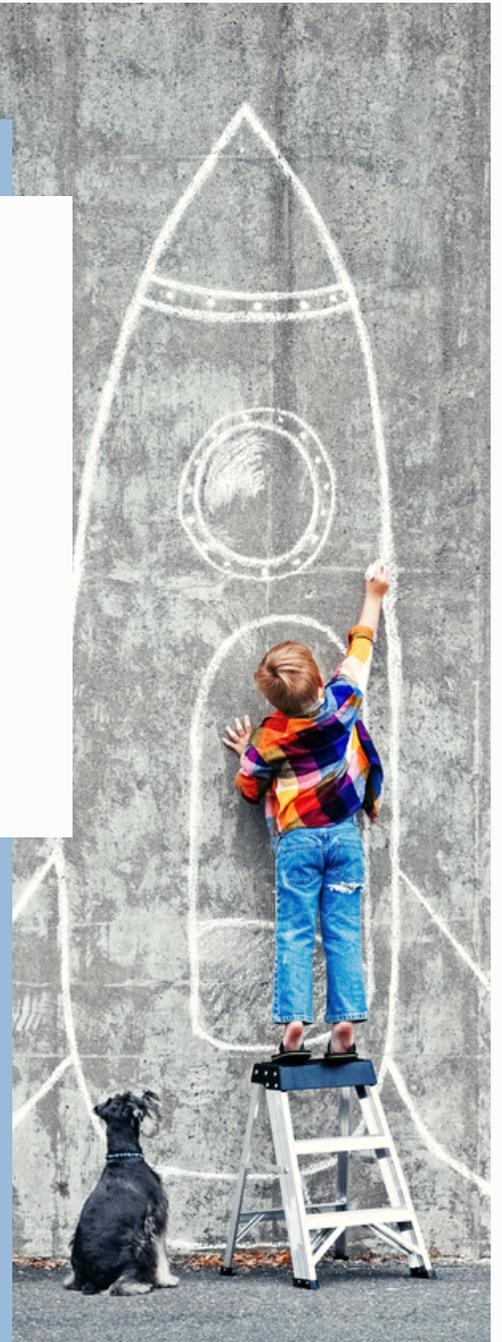

capelle LIVES

FROM ASPIRATIONS TO INNOVATIONS

We are excited to bring you a brand new experience through Capelle LIVES, where we hope to better connect with you.

Riding on our values of: Lives, Integrity, Value-creation, Excellence, Sincerity, our aspiration in 2022 is to continue to live out our vision of Touching Lives and Transforming Organizations. Part of our aspiration is to bring more relevant and engaging content that will help organizations build more creative innovations and strengthen capabilities.

We hope you will enjoy this first issue of Capelle LIVES and be inspired to take your aspirations to innovative actions in this new year.

What are your aspirations for 2022?

LET'S EMBRACE 2022

EXCITEDLY WITH AN

OPEN MIND

AND **HEART**

FOR WHAT IS TO COME!

THOUGHT LEADERSHIP

Bridging the Dynamics of Strategizing and Organizational Learning: Part 1

by Dr. Yee Lai Fong

In a volatile and uncertain environment, it is clear that we needed to move away from traditional approaches to strategic planning that assumes a stable and knowable future...

THOUGHT LEADERSHIP

What's Most Important in a Changing Work Culture to Spark Innovation

by Dr. Mike Loh

To spark innovation, there needs to be a right culture to catalyze and nurture to achieve fruition. Creativity alone is not enough!

Consultants
Capelle Consulting

Capelle
LIVECHAT

Building an innovation culture requires more than just change. It requires new mindsets, right environments to ideate, skills, processes and customer insights to create new possibilities for innovation to take place. It is a transformation journey that must be done together!
